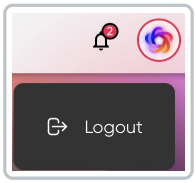
By completing these steps, you will have securely logged out and exited Studio.

Logout

To logout of Richmond Studio, follow these steps:

1. Navigate to the Main Menu in the Teacher Role section of Studio.
2. Look for the Logout option in the menu.
3. Click on the **Logout** option. This will end your current session in Studio and disconnect you from the platform.



Always remember to perform a proper logout to keep your data and account privacy protected.
