This category includes the materials and resources available for classes. These materials include reading files, audiovisuals, and writing assignments that the teacher can assign to students.

The screenshot shows the Compass LMS interface. At the top, it displays 'Compass 2 students H4VJ69WA'. Below this, there's a 'Courses All' section with a 'Show locked' toggle. A row of course cards is visible, including 'Fly high Primary 3 eWorkbook', 'Fly high Primary 3 Student's...', 'Fly high Primary 3 Grammar...', 'Fly high Primary 3 Listen & Record', 'Fly high Primary 3 Additional...', 'Compass 3 eLanguage Log', 'Fly high Primary 3 EPAs', and 'Fly high Primary 3 CLIL Journey'. The main content area shows the 'Fly high Primary 3 eWorkbook' with a search bar and a list of activities under 'Unit 1'. The selected activity is 'Cam's Tale: Two Schedules - Page 6, activity 1a', which includes instructions to 'Read and put in order' and a list of actions: 'go to bed early', 'go for a walk', 'have breakfast', and 'comb my hair'. A lock icon is visible in the top right corner of the activity card.

There is an option to <Lock/Unlock> products to hide them from students.

- Click on the lock icon.
- The selected product will be displayed with a lock icon in the top right corner.

To create assignments in the class:

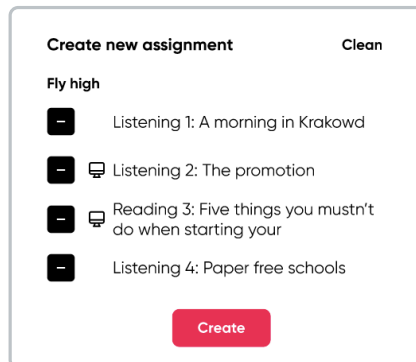

1. Select the product. You can choose from the uploaded series or view all.
2. Click on the plus symbol (+).

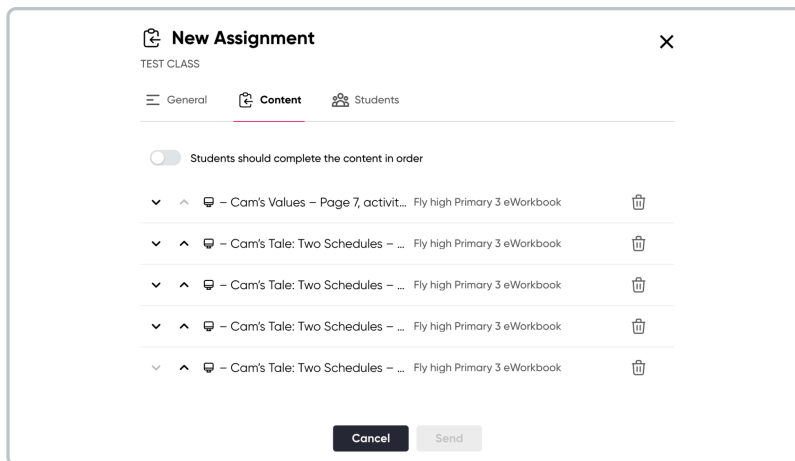

3. View the total of added activities at the top right.

4. Click on **Create**.

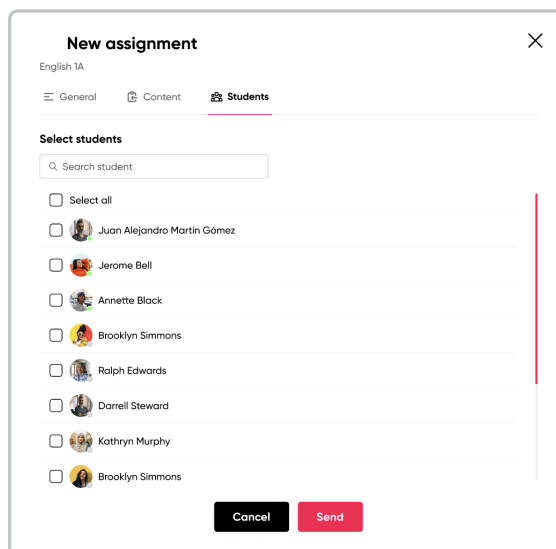

- In the **General** option, assign a **title**, describe the **instructions**, and set the **start and end dates** for the new assignment.
- In the **Content** option, the created assignments are listed.

The option to enforce assignments in a specific order has been temporarily disabled. You can still organize the activities manually using the arrow controls in the content window. Thank you for your understanding.

 For now, the option to enable or disable whether activities must be completed in a specific order is disabled. You can still organize the activities manually using the arrow controls in the content window.

- In the **Students** option, all the students in the class are listed.

5. Click on **Send**.
