ED stands for **English Discoveries**; within Studio, it helps prepare students in an integrated digital environment, with the aim of ensuring they reach a sufficient level to certify their language proficiency through Educational Testing Services TS Program tests.

In order for a Training Manager to have access to and be able to assign an ETS, a Country Training Manager must activate it via the CMS.

As a Training Manager, to assign an English Discoveries (ED) to a class, you need to follow these steps:

Step 1. Logging into Studio

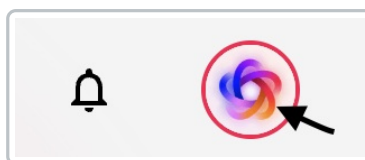

1. Log into Studio.
2. Enter your login details and click <Sign in>.

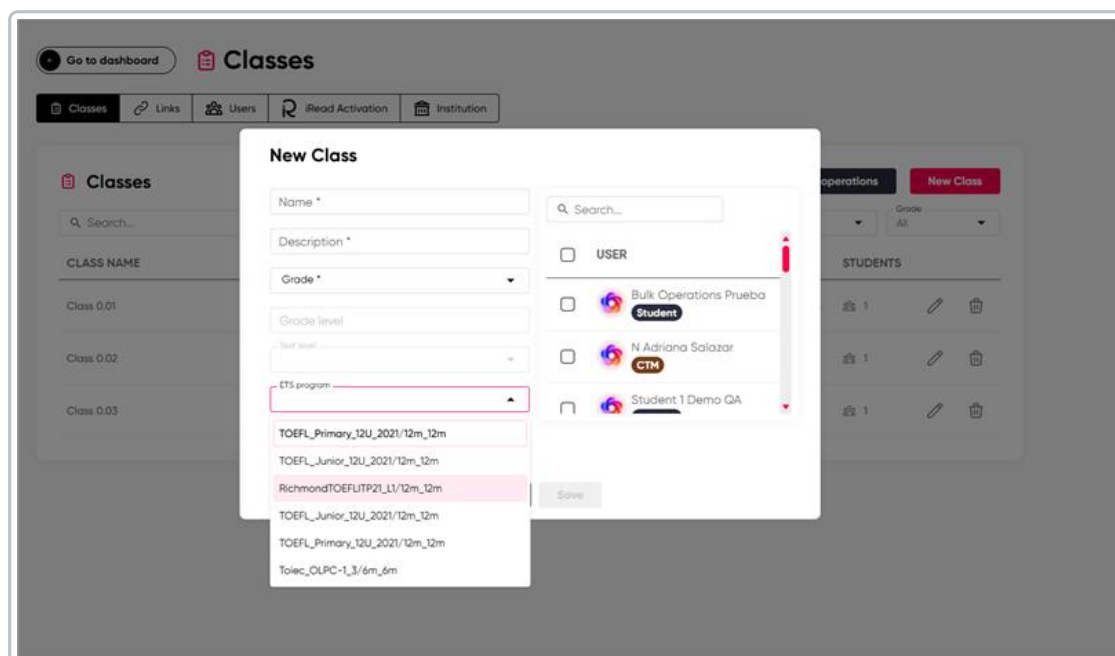

The image shows the Studio login interface. At the top, there is a 'Welcome!' message with the Studio logo. Below this, it says 'Log in with Connect or with your username and password'. There are two main login options: 'CONNECT with your account' and 'Username or email'. The 'CONNECT with your account' option is highlighted with a red border. Below the 'Username or email' option, there is a 'Password' field. A red 'Sign in' button is located below the password field. At the bottom, there is a link for 'Don't have an account? Create one' and three footer links: 'Studio ELT', 'Privacy policy', and 'FAQs'.

Step 2. Assign ED.

1. Click on the main menu (located at the top right -> Studio logo).

2. The available options will be displayed.
3. Select the <Settings> option.
4. Within <Settings>, select the <Classes> option.
5. From the <Classes> option, click <New Class>.
6. Llena los campos correspondientes y selecciona la evaluación correspondiente desde la opción ETS Program. Select the relevant assessment.
7. Click <Save>.

By selecting this option, students will be able to view the link to access English Discoveries from the dashboard on their profile, under the <My Links> section.
